OTHERS
TAKE
OVER.

A
KINDER

Mind.
Different

MBIW

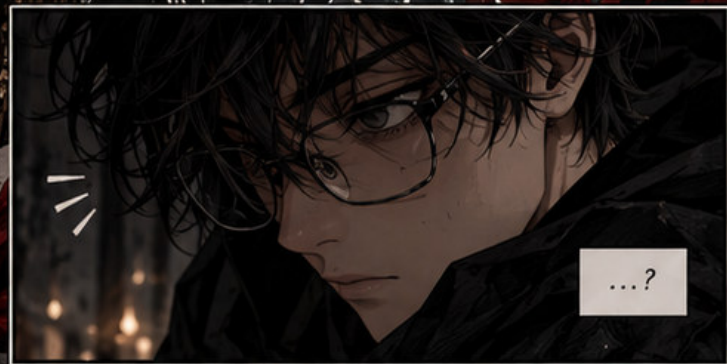

Still
Here?

Or
Already
Gone?

Days Before Reincarnation

Some versions
of us do not die.
They wait.

Chapter 1 — The Fading Self

Before the fall,
there was only MBIW.

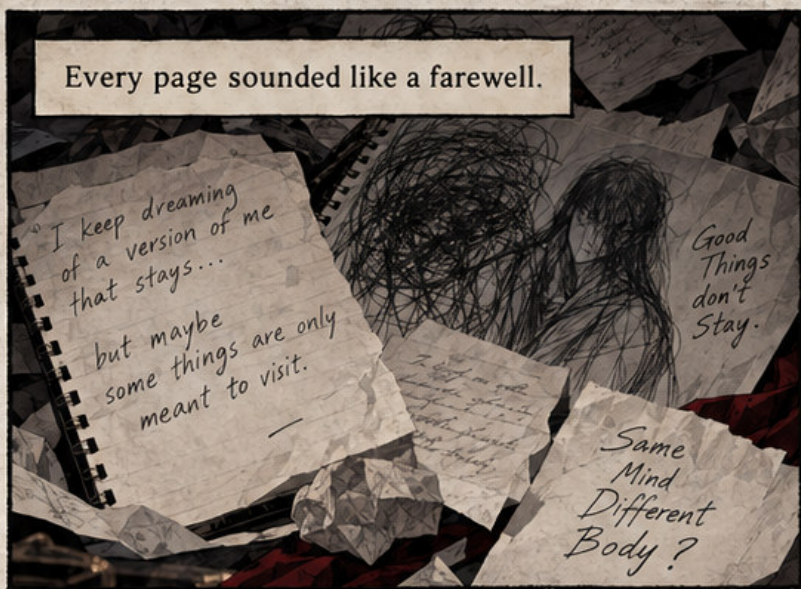

That night, the room felt too small for the weight inside him.

Maybe I was never built for this.

Every page sounded like a farewell.

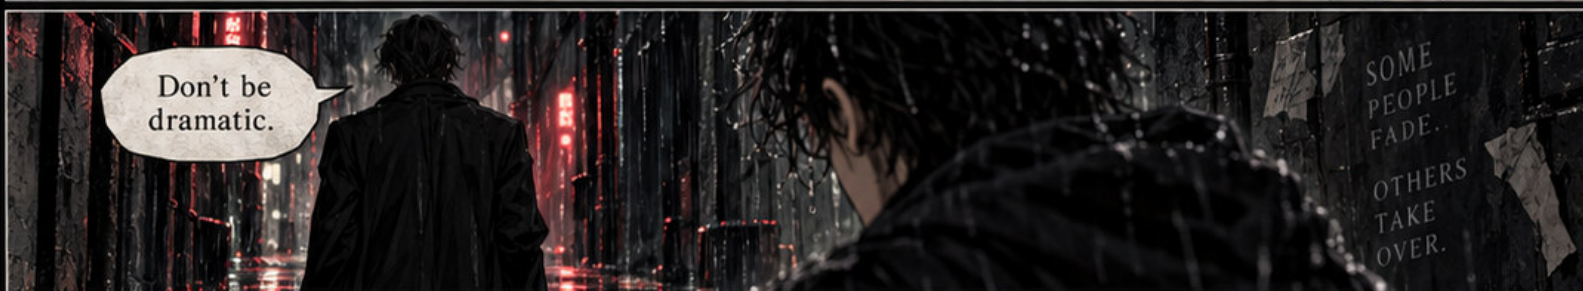

...Who's there?

The part of you that refuses to kneel.

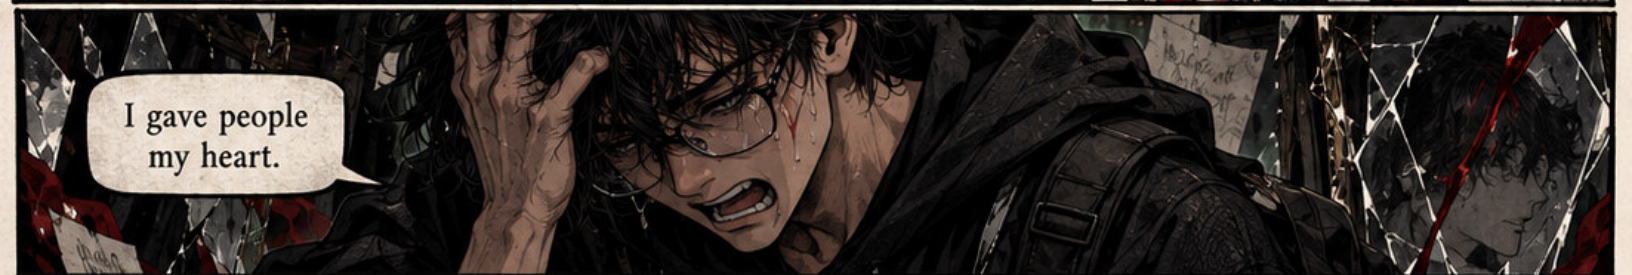

I'm not weak.

No.
You are available.

You begged for love.
They answered with use.

I gave people
my heart.

And they taught me
what mercy costs.

The room shattered
before he could.

SAME
MIND
DIFFERENT
BODY?

KRAK

MBIW
Still
Here?

You don't get
to take my life!

It was never
yours to rule.

No—

Why me?

Because you made me necessary.

The final days had already begun.

When this is over, only one of us will remain.

Next: The Voice Behind the Glass

Chapter II —
The Voice Behind the Glass.

The mirror did not show
his reflection anymore.

SOME
PEOPLE
FADE.
OTHERS
TAKE
OVER.

MBIW
Still
Here?

Same
Mind
Different
Body?

What do you
want from me?

Only what
should have
been mine.

A
KINDER
SELF
DIES
TO MAKE
SOMETHING
GREATER.

I am every word
you swallowed.

You're
not me.

You
always
disappoint.

Not
enough.

You
always
disappoint.

You
could have
done more.

And the glass began to remember.

Memories hurt more when you finally see them clearly.

You're the nicest one here, MBIW.

You got me, right?

Don't be dramatic.

No. Look.

Stop.

SAME MIND
DIFFERENT
BODY?

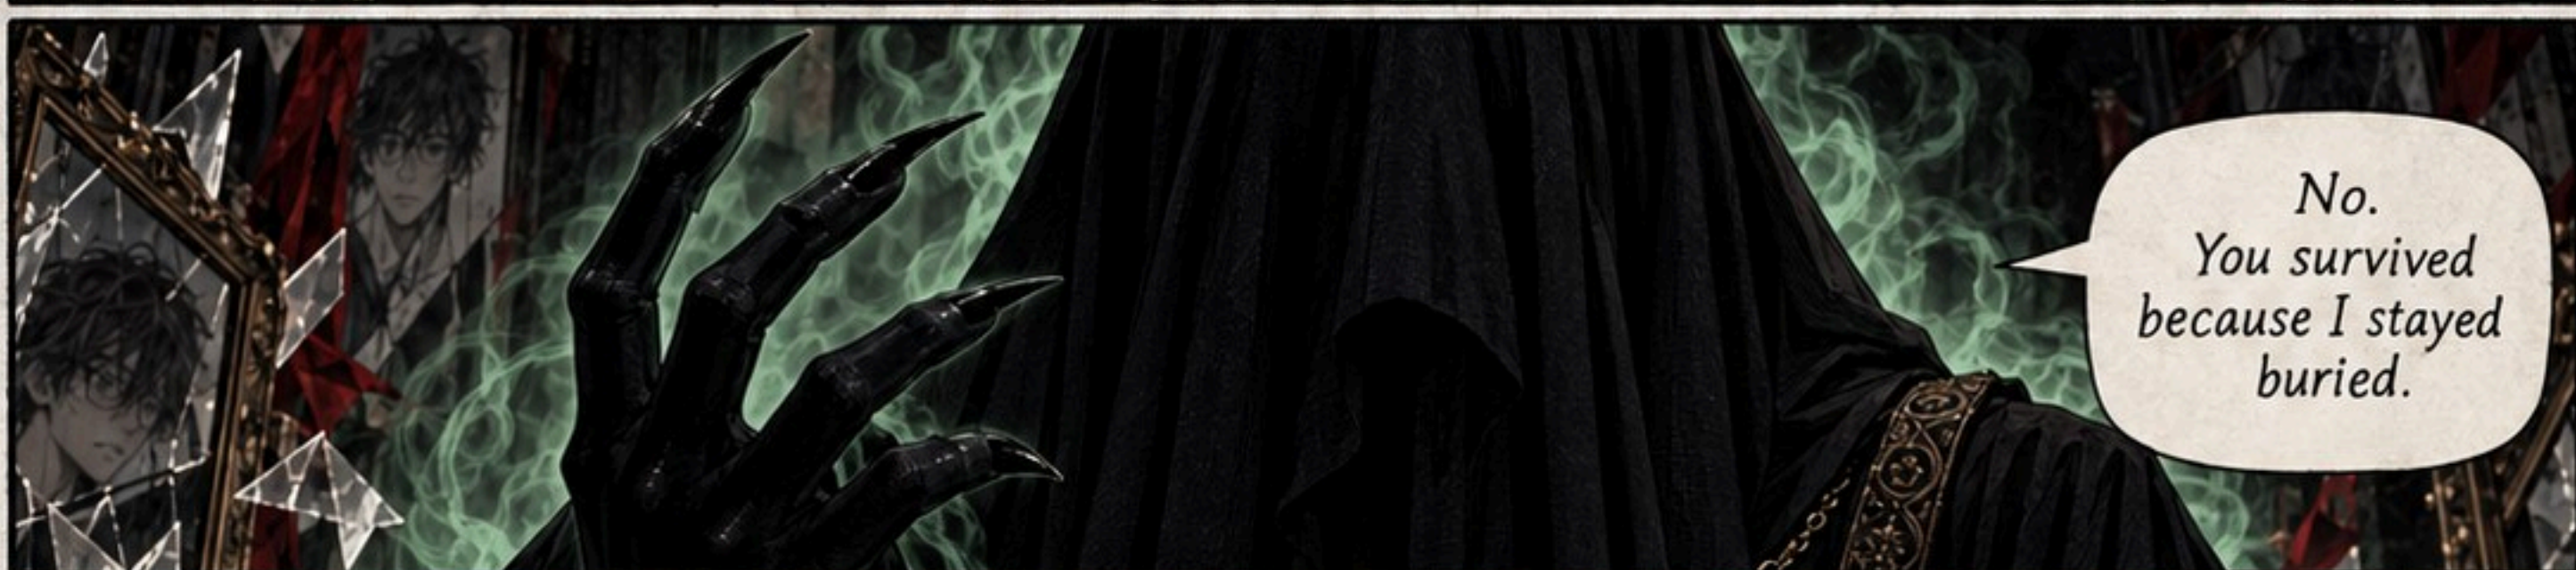

I kept every wound you tried to forgive.

I was trying to be good.

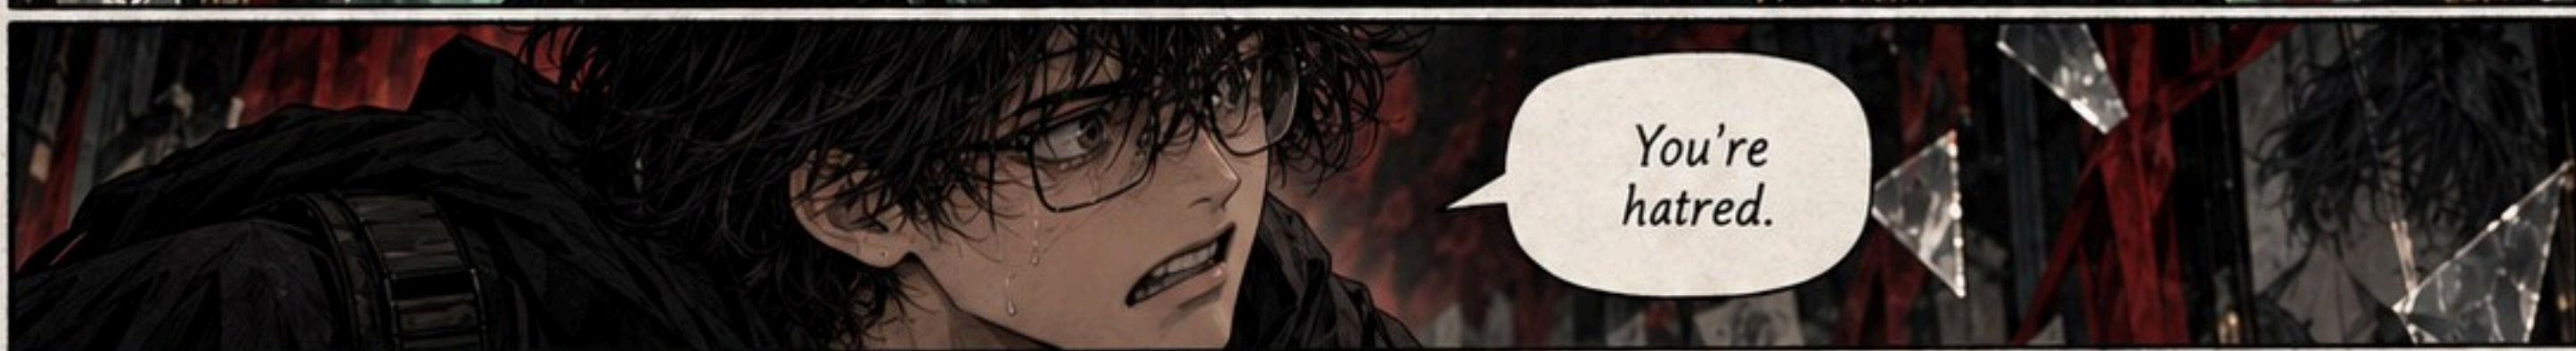

Good was the costume they put on your cage.

I survived
without you.

No.
You survived
because I stayed
buried.

You're
hatred.

I am discipline
sharpened by pain.

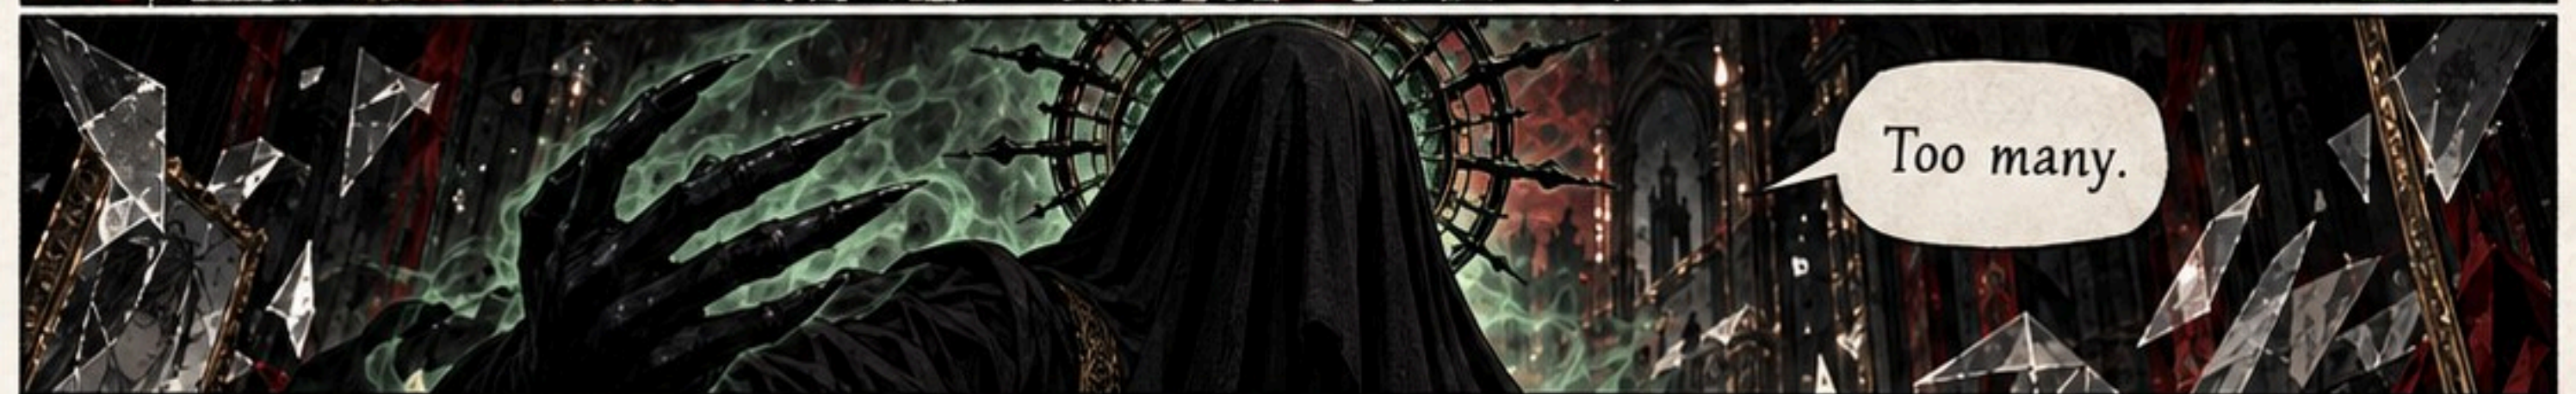

You called me evil
because you feared
becoming
untouchable.

For the first time, MBIW
heard power speaking
in his own voice.

How many of me did they leave behind?

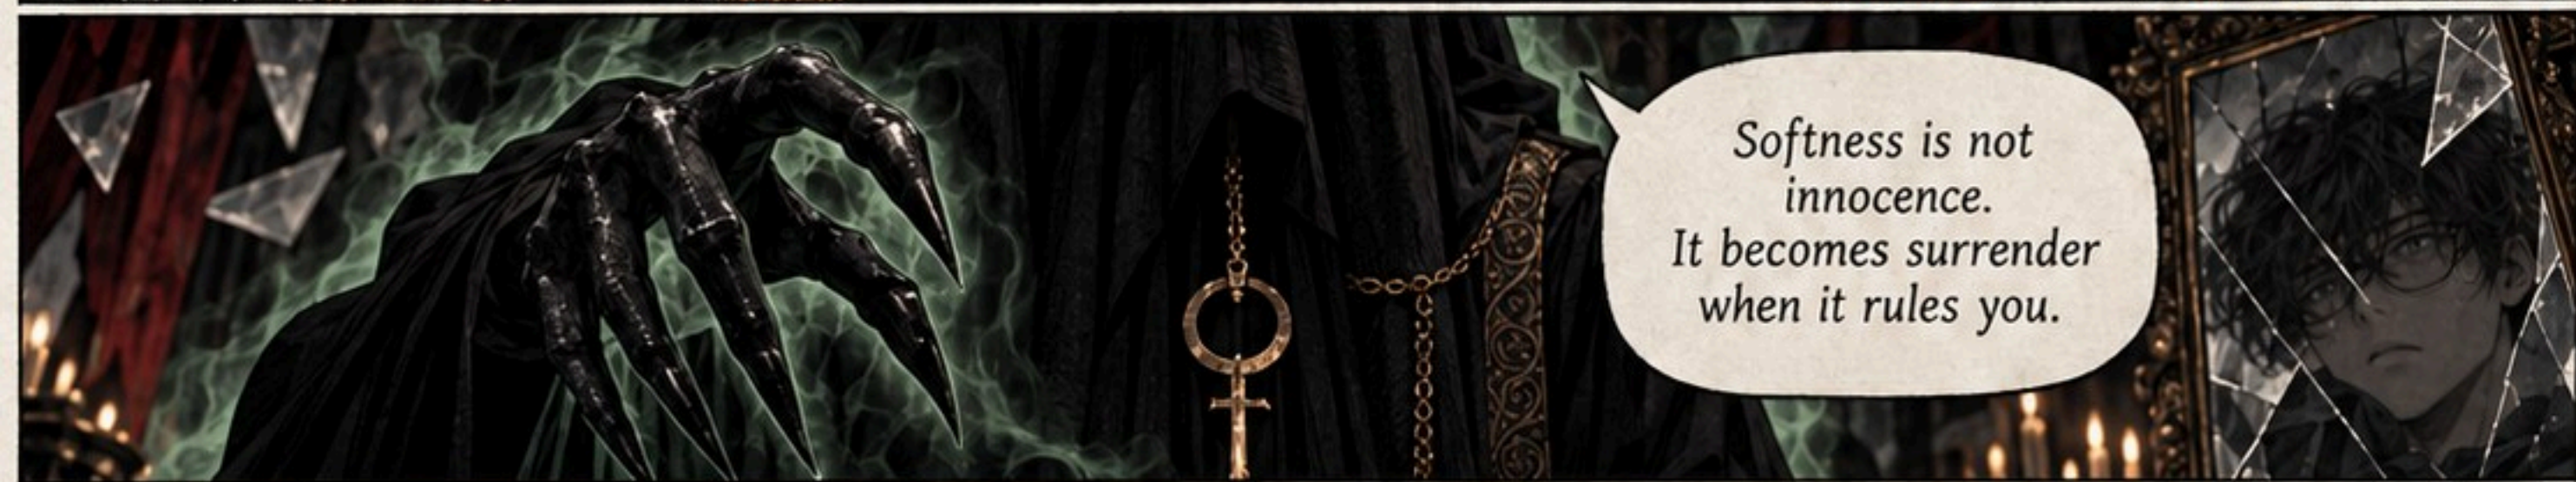

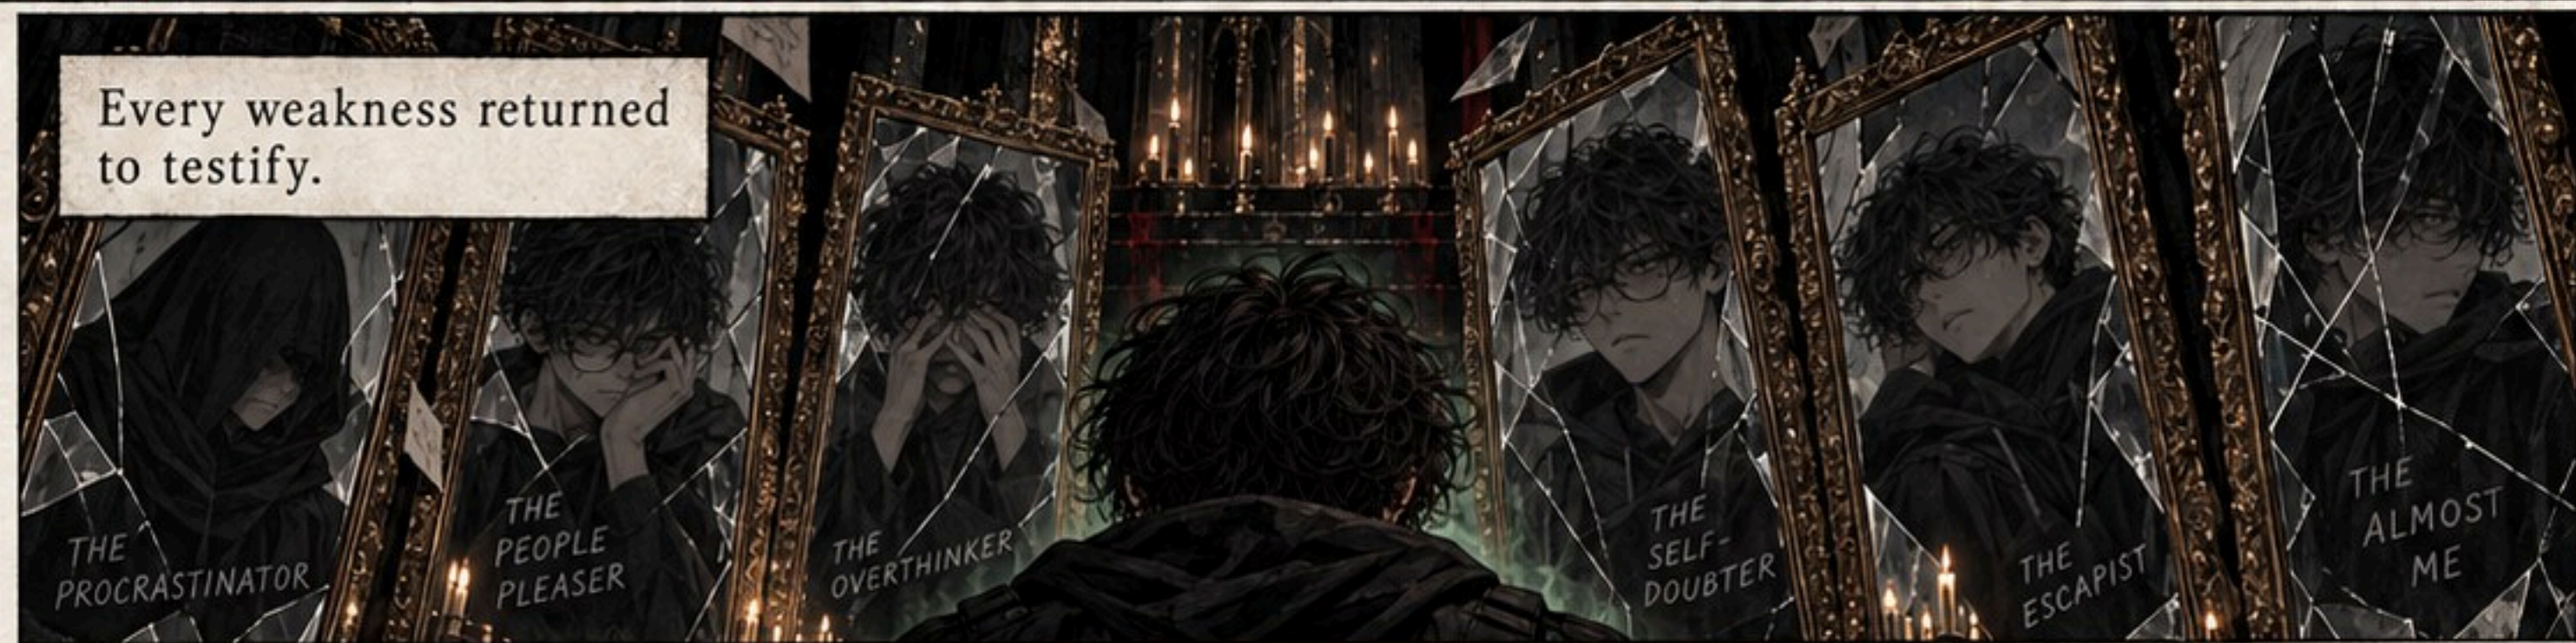

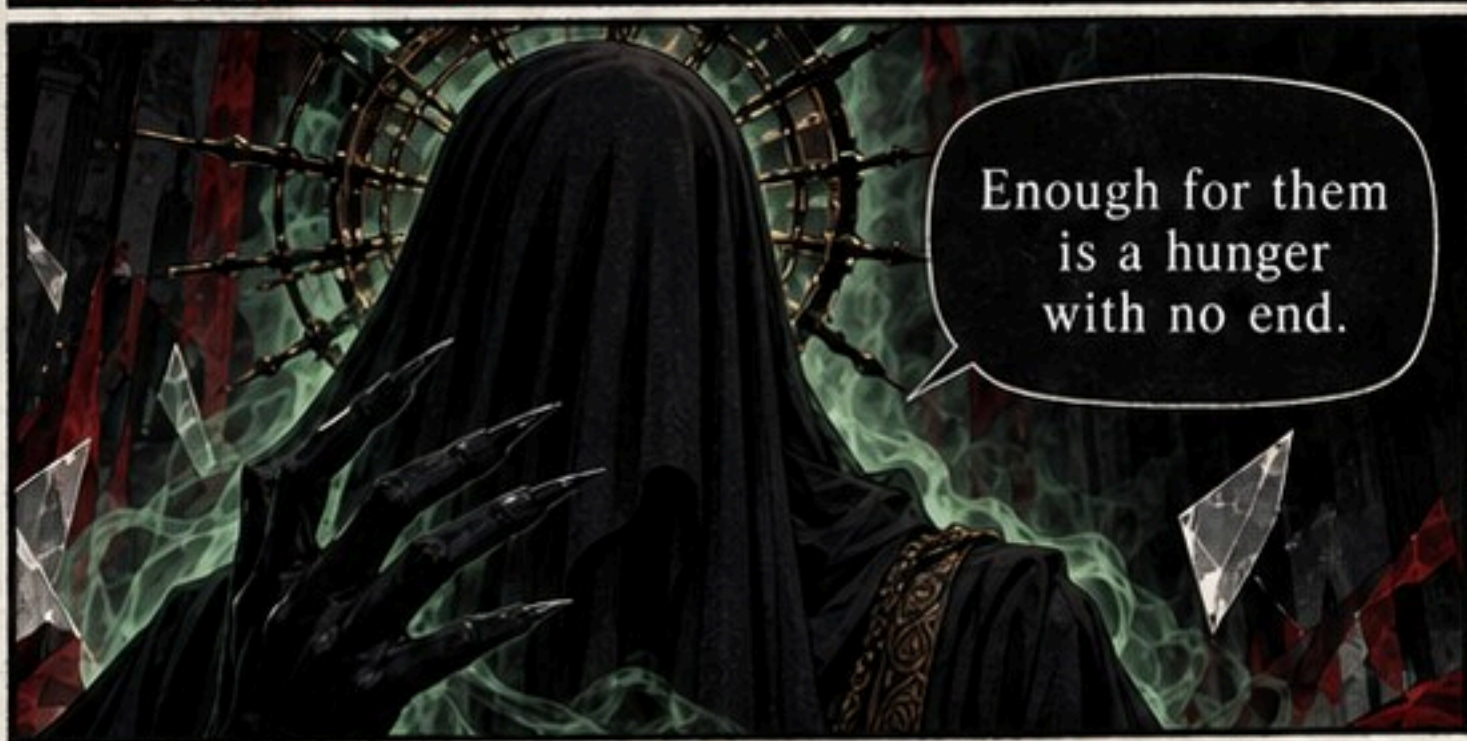

Too many.

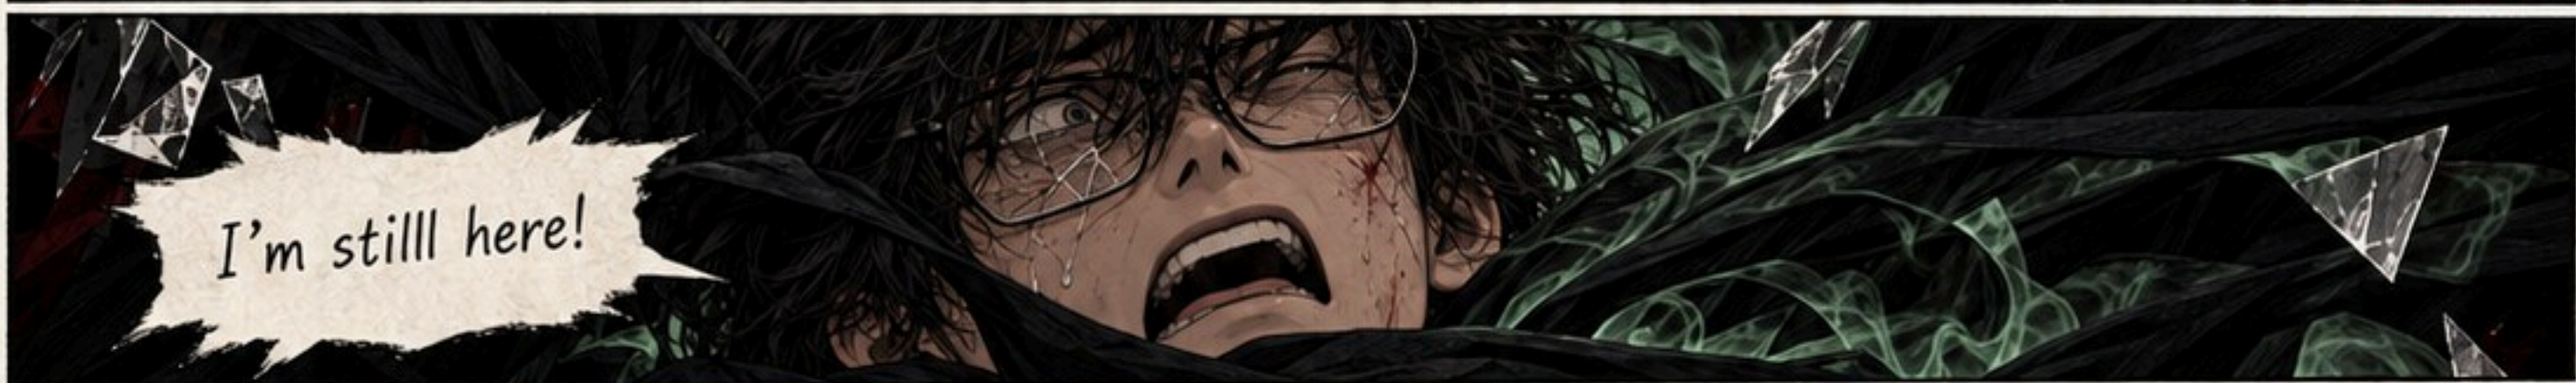

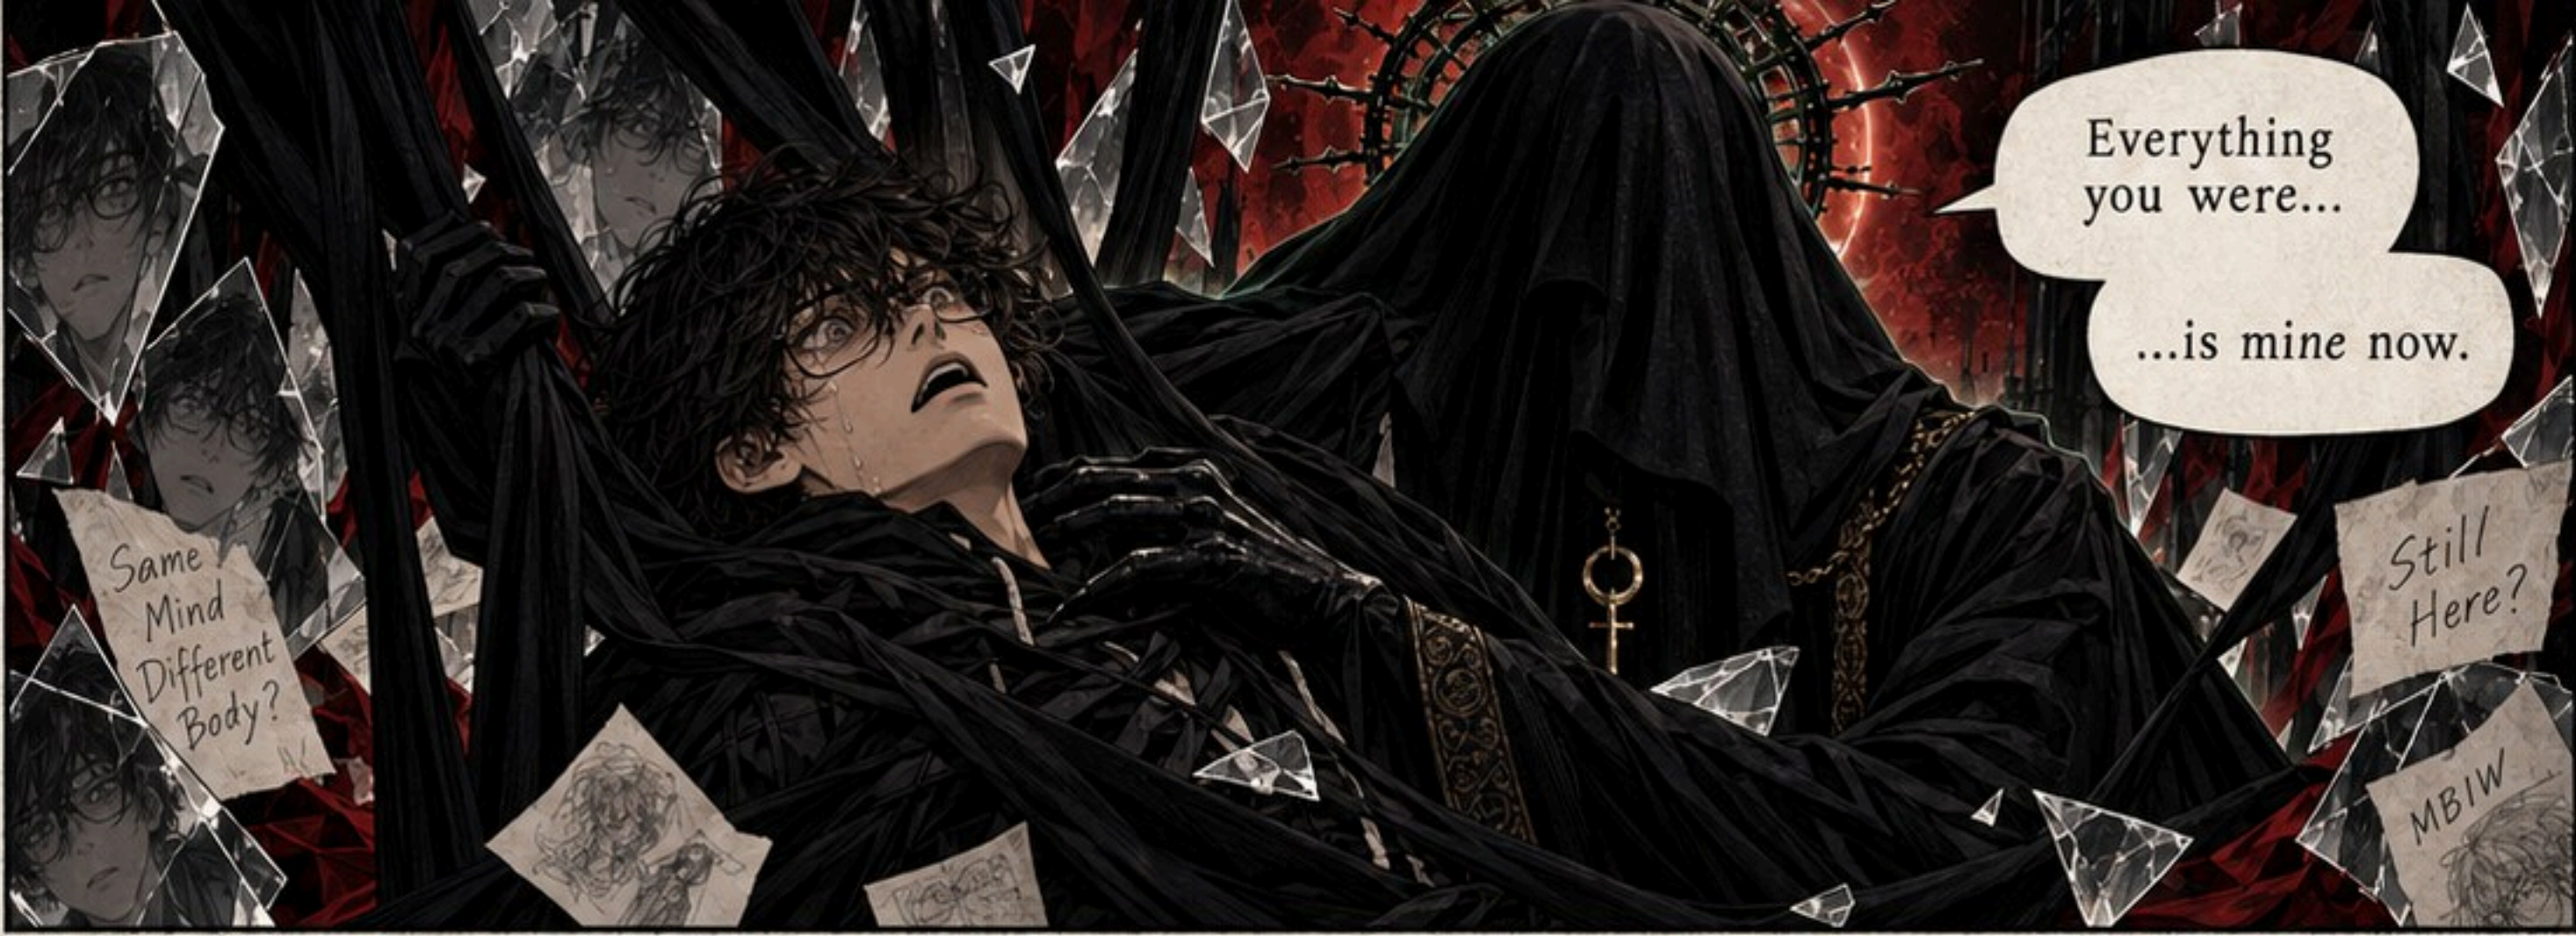

Names are masks.
Weakness was yours.

Chapter III — The Trial of MBIW.

Everything
you were...

...is mine now.

Same
Mind
Different
Body?

Still
Here?

MBIW

What are
you taking?

Everything
that kept you
kneeling.

Fear

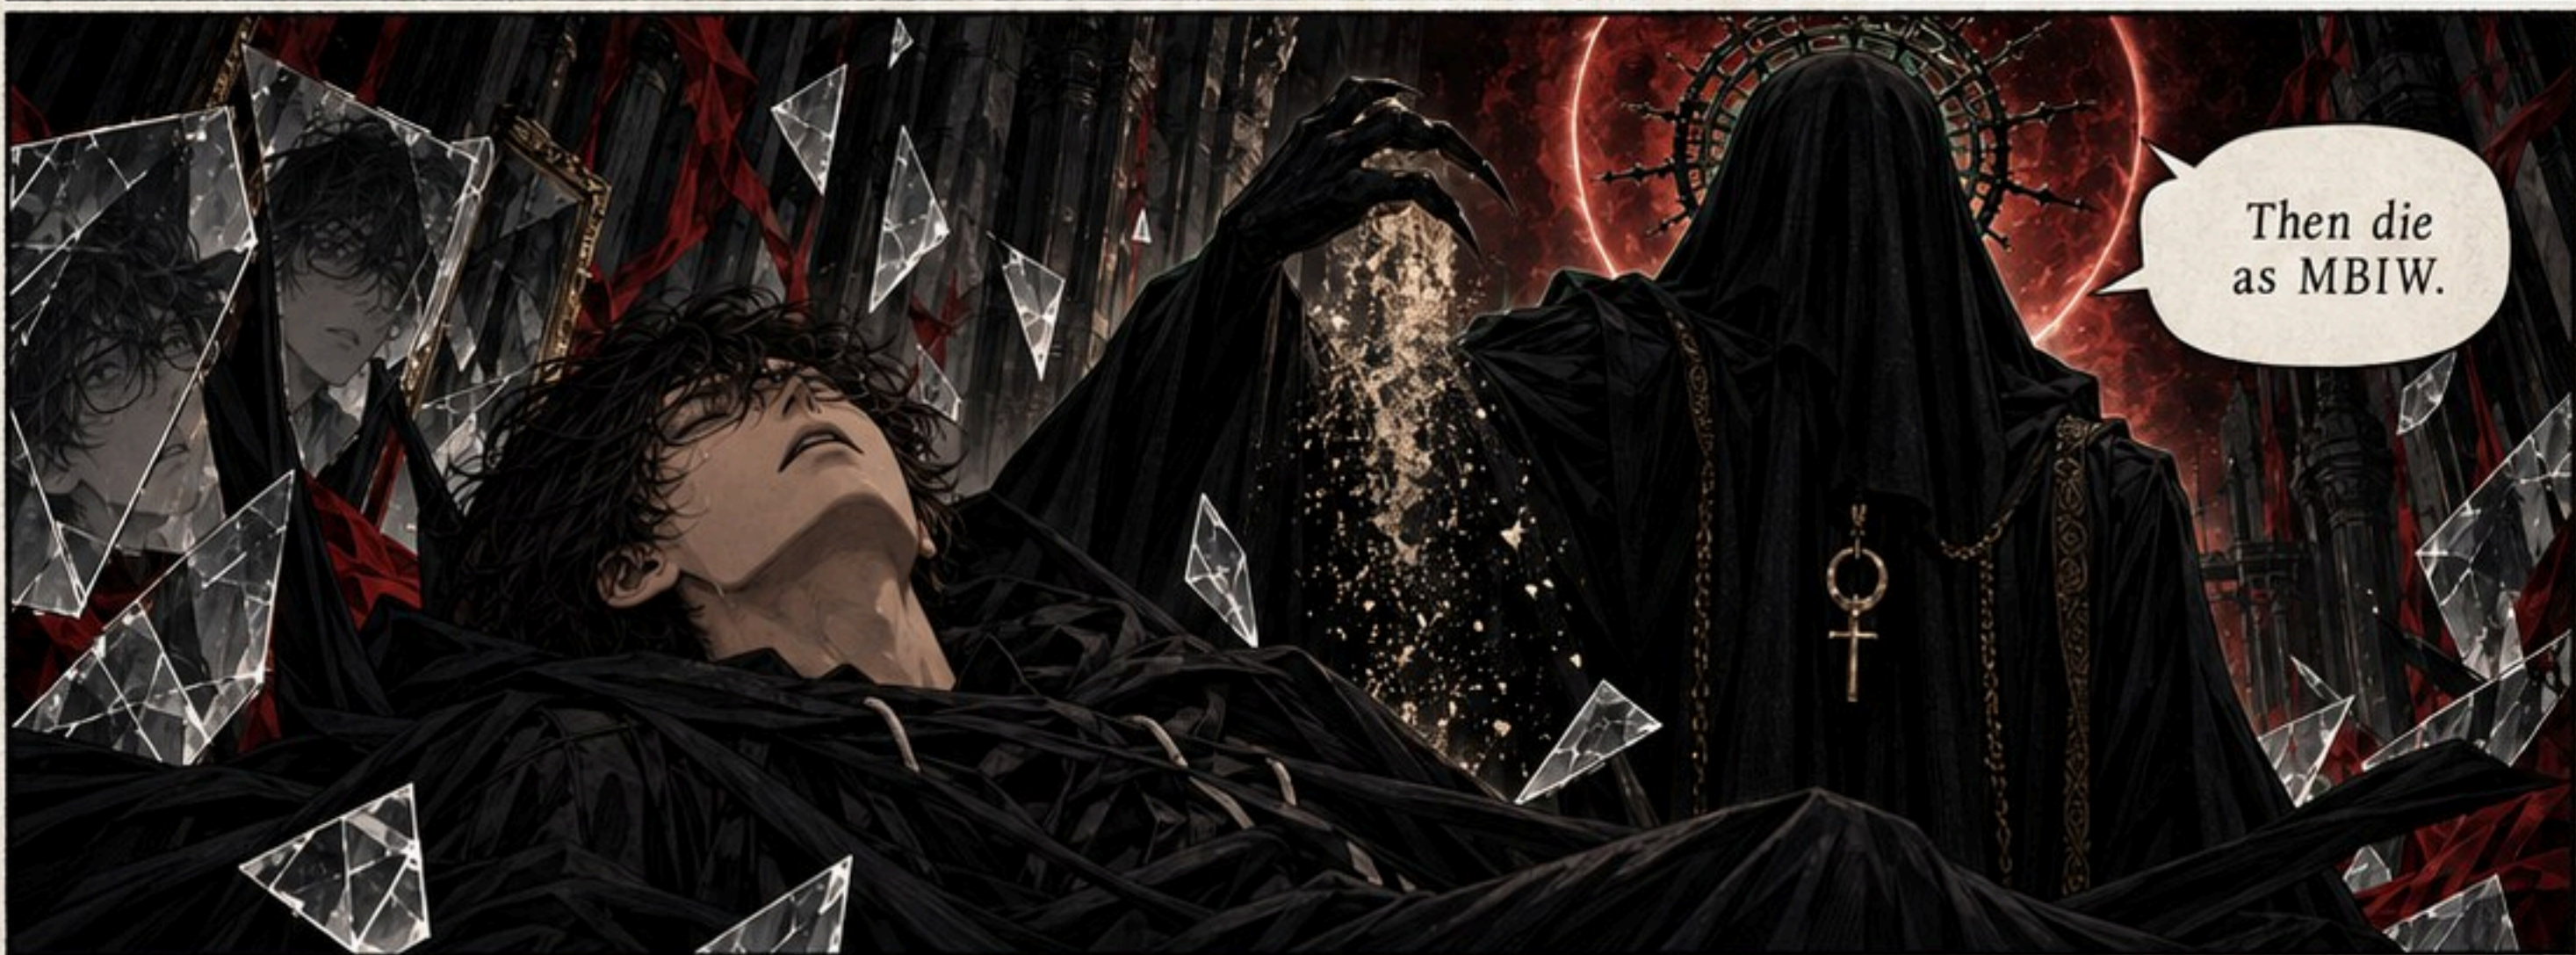

Mercy.

The
Old
Self.

MBIW did not die
by blood, but by
surrender.

Memories
Regrets
Excuses
The Boy
Who Stayed
Good Enough
Not Anymore

Then die
as MBIW.

Reincarnation was not rebirth.
It was succession.

MBIW
Still
Here?

Same
Mind
Different
Body?

İMAM.

İMAM.

İMAM.

İMAM.

İMAM.

When the silence broke,
only one voice remained.

SOME
PEOPLE
FADE.
OTHERS
KNEEL
FOREVER.

Mercy made
him ordinary.

Power made
me inevitable.

A
KINDER
SELF
DIES
TO MAKE
SOMETHING
GREATER.

MBIW.

Next: The Reign of ĪMAM.

Chapter IV —
The Reign of İMAM.

The hall no longer echoed
with two voices.

MBIW.

Was I ever
enough?

You were
necessary.
Nothing more.

Whatever remained of MBIW
lived only as memory.

Mercy made
him ordinary.

Purpose
makes me law.

Beyond the throne hall,
a world still waited.

And what
are you now?

The answer you
were too afraid
to become.

He did not inherit peace.
He inherited purpose.

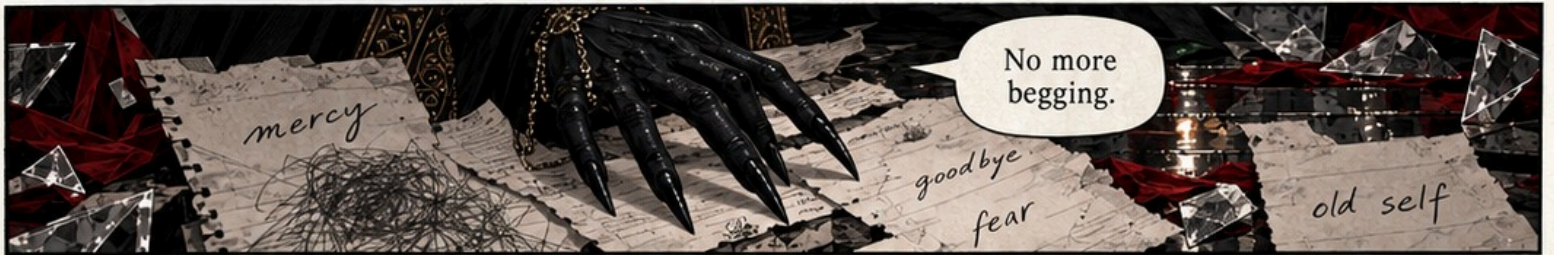

I am not here
to be loved.

I am here
to remain.

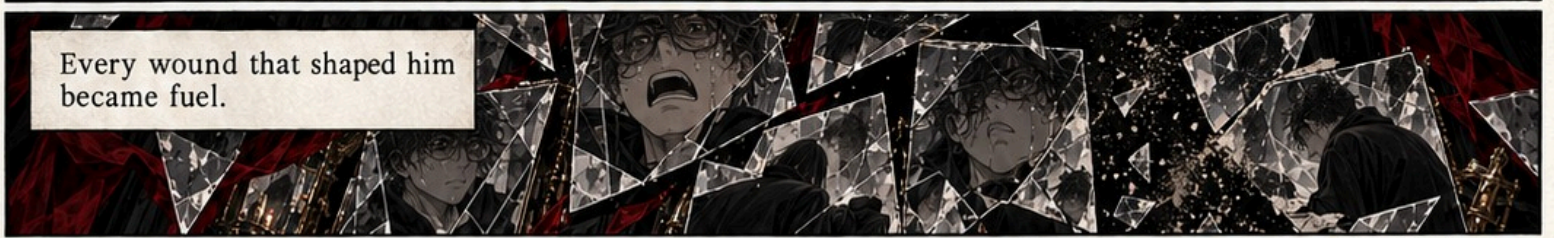

His silence became direction.

No more
begging.

Every wound that shaped him
became fuel.

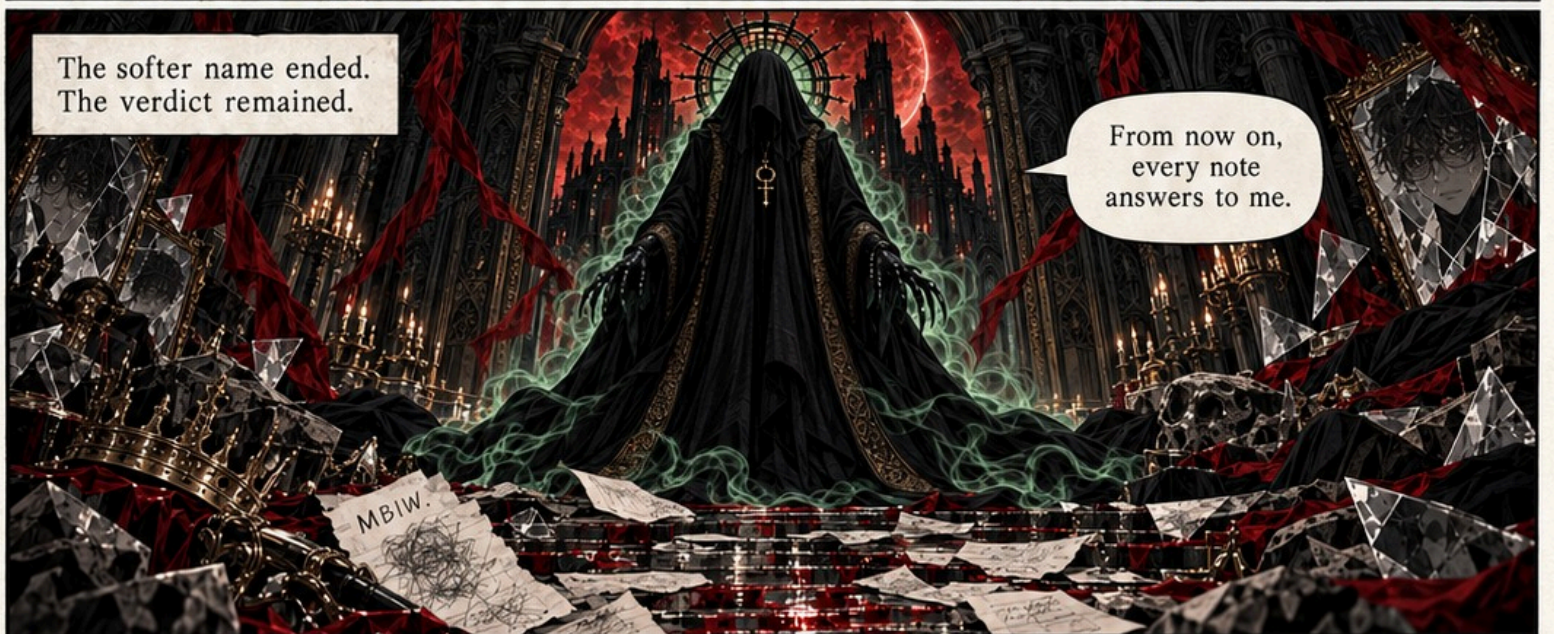

No more songs
that kneel.

Only songs
that declare.

The softer name ended.
The verdict remained.

From now on,
every note
answers to me.

The reincarnation has begun.

MBIW wanted
to become somebody.
I intend to become
untouchable.
